

09.12.2016

Applications are invited on a plain paper (along with copies of educational qualifications and experience) from eligible candidates for selection for the following positions in the projects sanctioned to **Dr. Sharmistha Banerjee, Department of Biochemistry, University of Hyderabad.**

Project: "Understanding the role of Rev-Staufen interactions in regulating HIV-1 propagation by altering cytoplasmic mRNA-silencing foci and nuclear membrane architecture" (No. BT/PR12626/MED/29/915/2014)

Positions:

1. Junior Research Fellow (JRF) @ Rs. 25,000 + 30% HRA per month

Qualification and experience: M.Sc, qualified national level competition, with at the least 3 yrs experience of handling cell cultures, HIV, Mycobacteria and training in working in BSL-2 & BSL-3 facilities are the essential requirements for the project. The work may involve field work and traveling for the same. Experience of handling fluorescent microscopy preferred.

2. Worker (Lab attendant) @ Rs 10,000 (consolidated) per month

Qualification and experience: Class XII pass, with 5 years of experience of working in HIV lab and proper disposal of biohazard wastes and biosafety maintenance in BSL-2 and BSL-3 culture facilities are the essential requirements for the project

Project: Identification and functional characterization of proteins from Mycobacterium tuberculosis targeting host-cell mitochondria and studying their role in pathogenesis (EMR/2015/001029)

Position:

3. Senior Technical Assistant @ Rs, 25,000 (Consolidated) per month

Qualification and experience: M.tech / M.Sc with at the least 2 yrs experience of handling HIV, Mycobacteria and cell culture. Experience of working with Zebra fish and experience of handling fluorescent microscopy preferred.

Please note:

Duration: All appointments are made for one year and can be extendible after review each year until the duration of the project

If applying for more than one position, please make separate applications and mention the same clearly on each application.

Only candidates who would fit into the objectives of the projects will be called for the interview.

Applications with contact details, email and phone number (along with photocopies of their qualifications/experience and reprints of published work wherever applicable) may be sent to **Dr. Sharmistha Banerjee, Department of Biochemistry, School of Life Sciences, University of Hyderabad, Hyderabad 500046** on or before **30th Dec 2016**.

The short-listed candidates would have to appear for an interview at the School of Life Sciences, South Campus, University of Hyderabad, Gachibowli, Hyderabad 500 046 on the date intimated to them. **Intimation will be sent via email.**

No TA/DA would be paid for attending the interview.
